ABOUT ME

I am a self-starter with strong interpersonal skills. I work efficiently both as an individual contributor as well as along with a team. I seek new challenges and try to think out-of-the-box while looking for creative solutions to a given problem. Besides the details given in my resume, I believe in character, values, vision, and action. I am a quick learner and believe in learning from my mistakes for I strongly feel that this virtue will take me ahead in life and career.

e-world Ranchi,

My work experience has been nothing but top notch. When I completed my IT degree, I went right to the best firm in the city and was hired as an intern. I was able to use the internship time toward my MSC IT, which I just completed this past spring. Working with the best of the best has made me an asset to any company that will hire me.
